

## Information about protective measures in connection with Covid-19

So that the stay on the Bäregg is a nice experience even in times of Corona, we adhere to the current instructions of the BAG! Your health and well-being are important to us.

We are obliged to adhere to the protection and hygiene concept.

For hut guests this means:

- Reserve your place to sleep
- Only visit our hut if you are in good health
- Bring your own sleeping bag and pillowcase
- Bring your own protective mask, disinfectant and a towel
- Take your rubbish back down to the valley

We look forward to your visit.

Stay safe and see you soon.

Bäregg Team
